

My Name is Tracy Russell and I live West Hartland Ct.

I am writing in opposition to both SB No 184 & SB No 5262. The state constitution should not be changed or bypassed .

Article Sixth Sections 7 & 8 of the Constitution of the State of Connecticut, which only allows absentee voting for six specific reasons:

- your active service in the U.S. armed forces
- your absence from town during all the hours of voting
- your illness – **Not the existence of the COVID-19 illness**
- your physical disability
- your religion forbids secular (no-religious) activity on that day
- your required performance of duties as a primary, referendum, or election official at a polling place other than your own during all hours on that day
